MAKING AN IMPACT

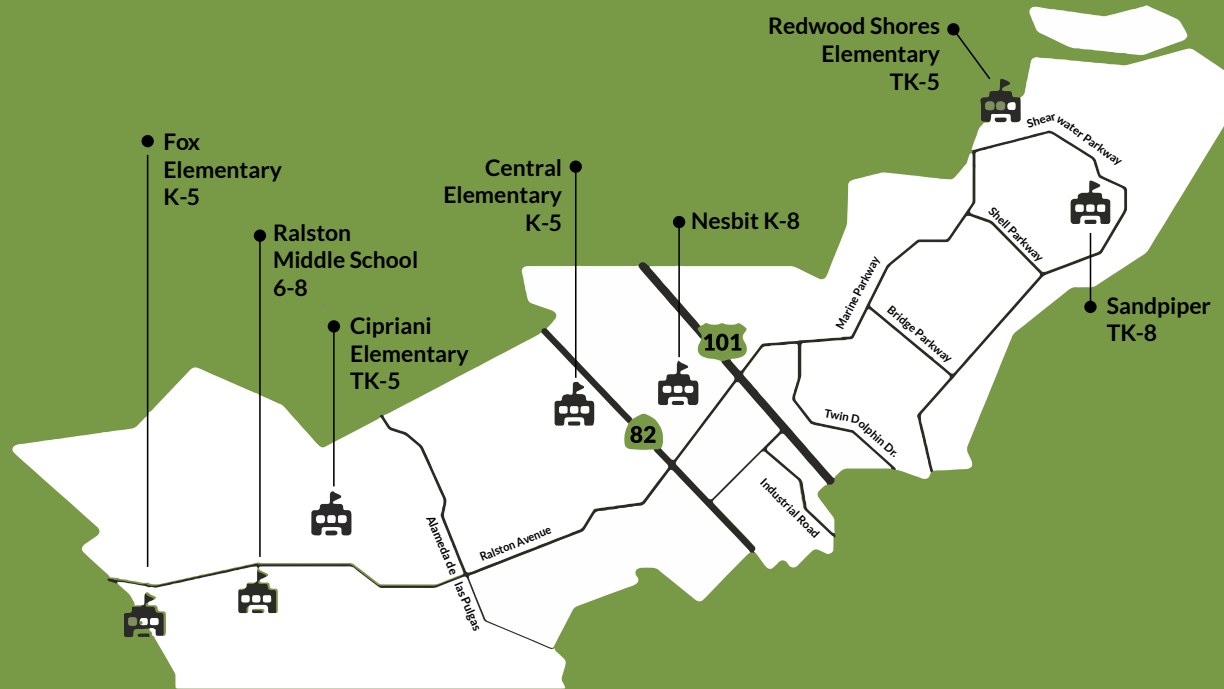

What is SchoolForce?

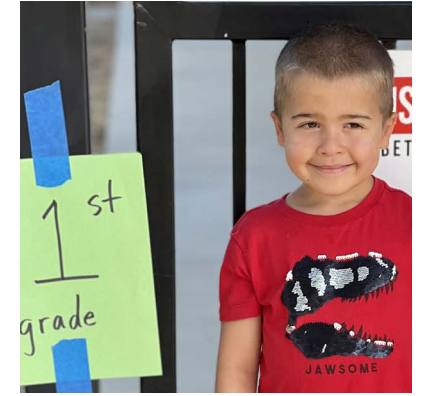

SchoolForce is the non-profit education foundation that raises money to support teachers and programs to ensure an exceptional education for every student in the Belmont-Redwood Shores School District. We are run by volunteers and supported by parents, community members, and businesses to support core and innovative programs that provide an enriching and multi-faceted educational experience.

We bridge the gap between low state funding and the rising educational costs for our 3,970 students. In addition, we are dedicated to raising community awareness of key issues faced by our district, and what we can do as a community to ensure that all of our children receive a quality public education.

We serve the seven schools in the Belmont-Redwood Shores School District: Central Elementary, Cipriani Elementary, Fox Elementary, Nesbit K-8, Redwood Shores Elementary, Ralston Middle School and Sandpiper K-8.

Belmont-Redwood Shores School District (BRSSD) Schools

The Year in Review

Dear Belmont-Redwood Shores Community,

Thank you for investing in the future of all our Belmont-Redwood Shores TK-8th grade students through SchoolForce. With your continued support, SchoolForce granted \$2.5M to Belmont-Redwood Shores School District (BRSSD). This grant provides funding for 40 additional teachers in the areas of music instruction and arts, counseling, library media arts, science, physical education and elementary intervention. We are extremely grateful to all the parents, businesses, community members and friends of SchoolForce who contributed to make this possible. SchoolForce's grant benefits all students in the district and helps our Belmont-Redwood Shores community and schools stay strong and desirable!

Retiring Central teacher, Michelle Green, was honored with the renaming of the "Michelle Green SchoolForce Innovation Grants". These grants were significantly expanded and two grantees were subsequently awarded San Mateo County Education Department Kent Awards.

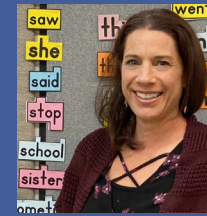

Accomplishing our goals requires a collective effort, and SchoolForce is committed to leadership through a diverse board composed of parents from all school sites. SchoolForce's efforts were honored by the San Mateo County's Chamber of Commerce with the 2022 Tom Mohr "Champion of Education" Award in February - recognizing the difference our education foundation makes in the lives of students in San Mateo County.

We have a lot to be proud of for what we accomplished during the 2022-2023 year despite a great deal of economic uncertainty. A special thanks to our board members, staff and volunteers for their time and dedication in support of our goals. Our SchoolForce Board is made up entirely of fellow parent volunteers. We are humbled and inspired by our extraordinary community taking extraordinary actions of leading, volunteering, contributing and partnering to Support Excellence in Belmont-Redwood Shores Schools.

Physical Education and Sports

elementary physical education coaches and middle school after school sports support

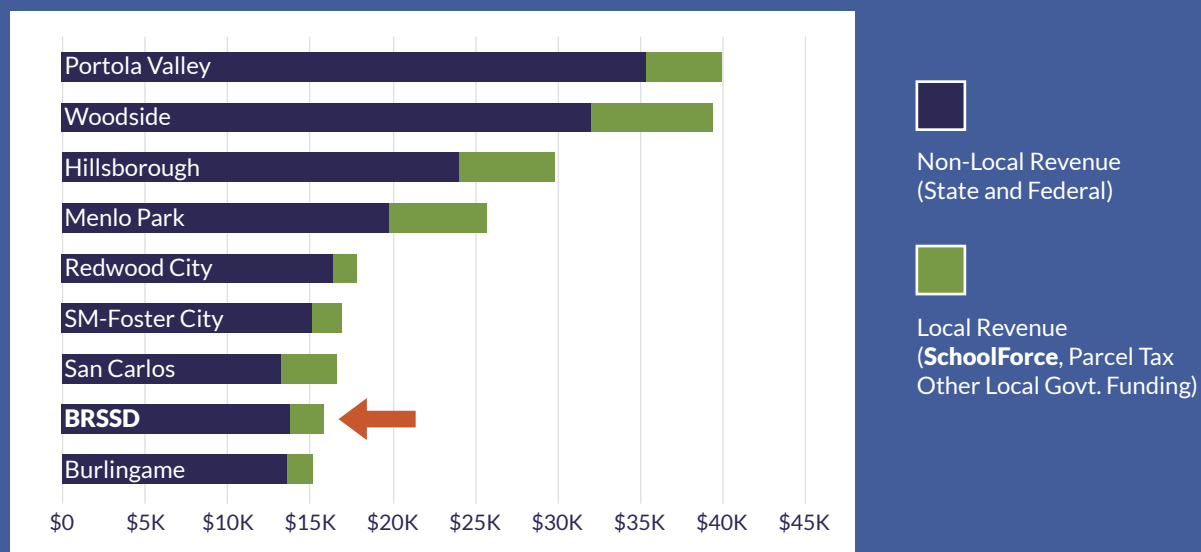

Why Do We Need SchoolForce?

ABOUT SCHOOL FUNDING

Nationally, California is 10th in per-capita tax revenue, but 40th in per-student funding. BRSSD receives approximately \$2,000 less per student than the statewide average. These funding conditions create a significant gap between what is received through public funding, and what is needed to educate our students.

BRSSD Funding per ADA*

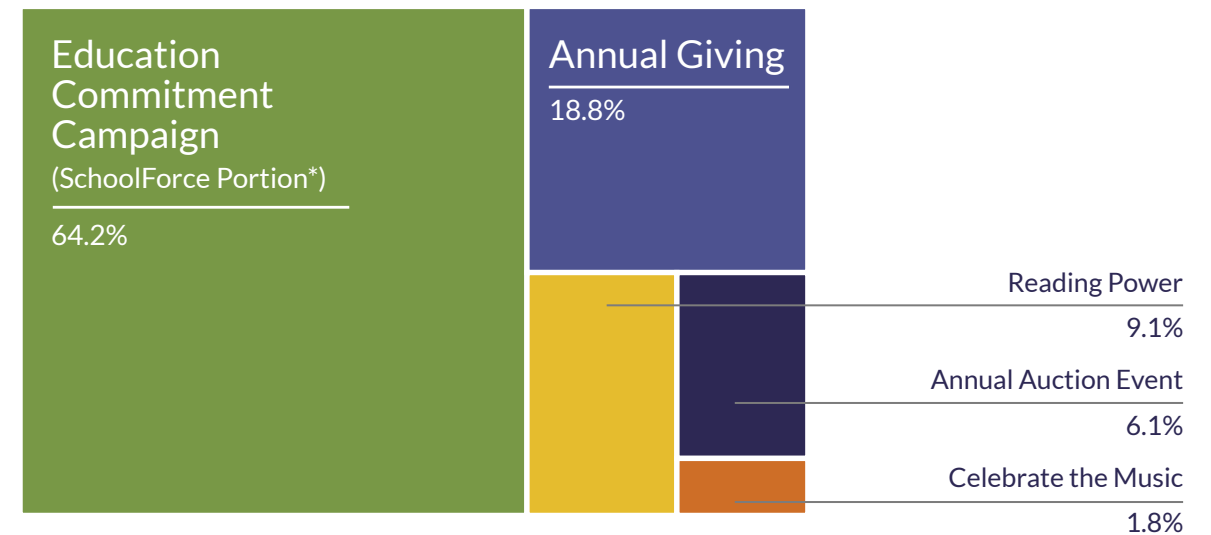

*ADA is average attendance. 2021-2022 data above - Includes one-time COVID funding which will not be received in subsequent school years.

SchoolForce By the Numbers

FISCAL YEAR ENDING JUNE 30, 2023

Revenue by Campaign

Revenue by Source

The majority of giving to SchoolForce comes from our parents and families. In recent years, donors have worked hard to secure company matching where available. We are also grateful to local businesses who sponsor Celebrate the Music and the SchoolForce Auction Gala, and give generously to support our schools and community.

Maximize Your Impact!

Did you know that last year SchoolForce received over \$670,000 via matching gifts /workplace giving? This represented 21% of our total fundraising in 2022-2023. Many Bay Area employers are willing to support the causes that are important to you so don't forget to take advantage of your company's matching program.

We are SchoolForce
