What is SchoolForce?

SchoolForce is the non-profit education foundation that raises money to support teachers and programs to ensure an exceptional education for every student in the Belmont-Redwood Shores School District. We are run by volunteers and supported by parents, community members, and businesses to support core and innovative teaching and programs that provide an enriching and multi-faceted educational experience.

SchoolForce donations fund the robust educational opportunities for our students that cannot be provided by state funding alone. For the 24th year, our community has come together to support vital staff and programs at each BRSSD school by giving to SchoolForce. Every day, every BRSSD student has an increased academic experience because of the dollars raised from parents and our community.

We serve the seven schools in the Belmont-Redwood Shores School District: Central Elementary, Cipriani Elementary, Fox Elementary, Nesbit K-8, Redwood Shores Elementary, Ralston Middle School and Sandpiper K-8.

Belmont-Redwood Shores School District (BRSSD) Schools

The Year in Review

Dear Belmont-Redwood Shores Community,

Donations to SchoolForce remained strong this year as more families chose to invest in their child's education earlier in the school year, providing each of our schools with greater financial certainty. This early funding enables more effective program planning and impactful staffing, ensuring the best possible educational experiences for students.

Reading Power remained our largest fundraising event of the year. Reading Power teams for each site worked together as a whole to streamline the event for students and families while maximizing the efficiency of volunteer and staff resources. The Camp Read-a-Lot murals were filled with the names of students eager to read and support their schools. Throughout the year, schools were vibrant with community-building events, including great turnout at our Annual Auction and Gala in March and Celebrate the Music in April.

The continued fundraising partnership with all seven school site PTAs, Opening Doors PTA and SchoolForce ensured that funds were raised early in the year to benefit every student at Central Elementary, Cipriani Elementary, Fox Elementary, Nesbit K-8, Ralston Middle School, Redwood Shores Elementary and Sandpiper K-8.

The SchoolForce board of directors further developed the strategic plan to maximize fundraising effectiveness and stakeholder engagement. The strategic plan also focuses on building an optimal structure of people, processes and systems to allow SchoolForce to be a top-tier educational fundraising organization.

Our community invested over \$2.6 million in Belmont-Redwood Shores Schools in the 2023-24 school year.

Thank you for your continued support – when our community comes together great things happen!

Why Do We Need SchoolForce?

ABOUT SCHOOL FUNDING

Nationally, California is 10th in per-capita tax revenue, but 40th in per-student funding. BRSSD receives approximately \$2,000 less per student than the statewide average. These funding conditions create a significant gap between what is received through public funding, and what is needed to educate our students.

BRSSD Funding per ADA*

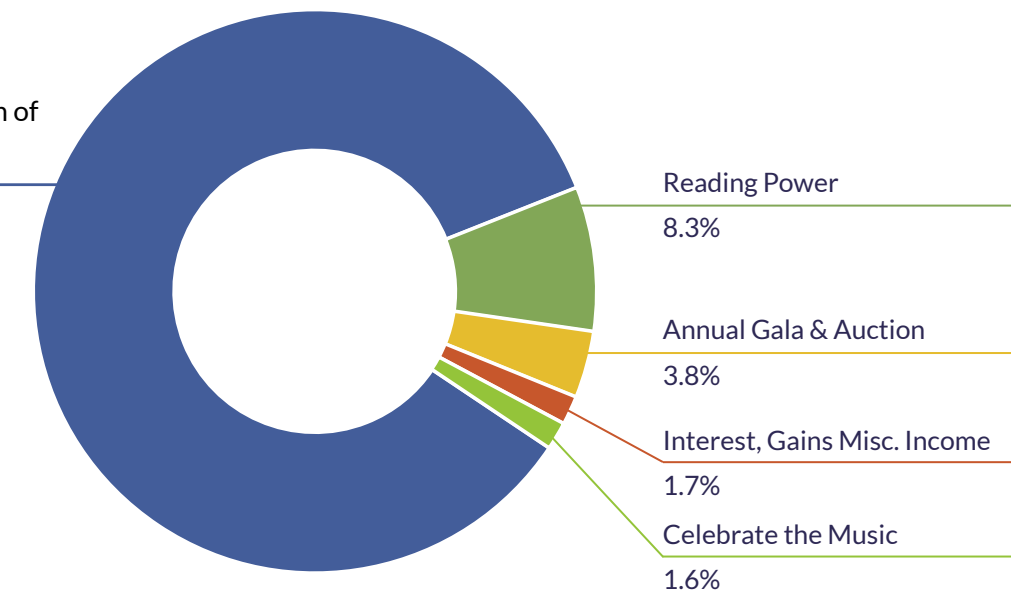

*ADA is average attendance. 2021-2022 data above - Includes one-time COVID funding which will not be received in subsequent school years.
